Voc.	capita	cubīlia	animālia

All these nouns are neuter.

Like **cubīle**, **cubīlis**:

mare, **maris** *sea* (the genitive plural appears only once, as **marum**)

Like **animal**, **animālis**:

tribūnal, **tribūnālis** *tribunal*

Notes

1. As with all neuter endings, the nominative and accusative are the same.
2. All neuter plurals in the nominative, vocative and accusative end **-a**.
3. Distinguish between nouns like **corpus** and nouns of the 2nd declension (**servus**) and 4th declension (**currus**).
4. Additional nouns listed are examples only: there are other similar nouns.
